	Form of Course							
Course Outline	The number of international students visiting Korea is increasing. There are many reasons why international students come to Korea. Korean traditional culture is organized by subject so that it can serve as a guide for understanding Korean traditional culture. The advantage is that the subject can be selected according to the needs of international students so that they can study more deeply. Additional information is available as you learn the subject.							
Class Guide Objective	Traditional Korean culture allows us to understand the traditions of various cultures up to the present Korea by subject. Attachments are provided before each lecture. Depending on the Covid 19 situation the final exam will be held. Lectures consist of face to face lectures. However, there is a possibility that it will be changed to a recorded lecture or zoom lecture depending on the situation,							
Detailed Objective1	To help you understand Korean traditional culture as a whole.							
Detailed Objective2	Learn about the types of traditional culture that have been handed down to the present.							
Detailed Objective3	While learning Korean traditional culture, learn Korean in a variety of ways.							
Course Objective	Traditional Culture of Korea
