Course Outline	This subject deals with Japanese literature made into movies or animations. Therefore, it is a subject that appreciates movies, animations, and literary works and finds their own charm. We are living in an era where we can easily access great literary works through movies and animations. Nevertheless, I'm still trying to find the meaning of the sentence in front of a paper book. We will think together about the reasons why we want to read literary works through this subject. The class first appreciates the work and the instructor gives a brief explanation of Japanese culture. And then we'll answer the questions that the instructor asks, and the students will create their own questions. Through the process of finding the answer to the question, you will be able to expand the scope of your thoughts.							
Class Guide Objective	The primary goal of this subject is to discover the charm of the art of literature. Next, my second goal is to think about the difference between the expression of movies and the expression of literature. And the last goal is to acquire knowledge about Japanese culture.							
	There is no fixed textbook.							
	The assignment is to watch a Japanese movie and submit a review before the final exam.
