Makeup Work Policy:

Homework will not be accepted late.

Projects will be accepted late.

If you turn your project in on time, it will be graded out of 100%.

If you turn your project in by the next class, it will be graded out of 70%.

After that, projects will not be accepted.

Absence or illness is not an excuse for late work. If you miss class for any reason, it is YOUR responsibility to make up the missed work. You should email the teacher to find out what you've missed, and also contact a classmate for any questions or help. Assignments turned in late but within 48 hours of the original deadline will be scored out of 75%. Assignments turned in after 48 hours will be scored out of 50%. Assignments turned in 2 or more weeks after the original due date will not be accepted and the grade will be 0.

Academic Integrity Policy:

Possible consequences for academic dishonesty include the following:

- 1st offense: 0 on the assignment with opportunity to re-do the assignment; note in record
- 2nd offense: 0 on the assignment; note in record
- Further offenses: Students will be referred to the honor and ethics committee who will determine the consequences, which may include dropping a letter grade in the course, having to repeat a level, suspension or expulsion from the program.

If a student is reported to the office multiple times ACROSS classes and levels, they will be required to attend a meeting with the honor and ethics committee at which time consequences will be decided.

Generative Artificial Intelligence Policy

AI Use Prohibited:

You are expected to generate your own work in this class. When you submit any kind of work, you are asserting that you have created it completely on your own unless you indicate otherwise using quotation marks and proper citation for the source(s) you used to help you. Submitting content that has been generated by someone other than you, or that was created or assisted by an AI generative tool is cheating and constitutes a violation of the KSU Code of Academic Integrity.

Grading Policy:

You will receive a letter grade for this course. Your grade will be based on the following:

A= 90-100 B=80-89 C=75-79 D= 70-74 F= 69 and below

At the end of the 8 week session you will receive a grade of A, B, C, D, or F. This will help you understand how you performed in this class during this session. A grade of A, B, or C shows that you have completed the work and met the course goals and objectives. A grade of D or F shows that you have not met the course goals and objectives in this class. Advancement to the next level requires passing grades in classes as well as appropriate scores on the end of session tests (EPT, Writing, and Oral interview).
