

COURSE // **ang3055 Conversation II****Course description**

- **Cycle** : 1
- **Course type** : Lecture
- **Number of credits** : 3
- **Subject** : English

Goals

This course is designed for Intermediate II level students who wish to improve their spoken and written English skills. Classroom activities focus on understanding and producing spoken messages and fostering communicative interaction. The course content is based on social and cultural themes of general interest that reflect North American realities. This course enables students to follow discussions on academic topics and current events, and to express themselves accurately using appropriate vocabulary to meet the expectations of an English-speaking interlocutor. Upon completion of this course, students will be able to participate in discussions in a variety of contexts.

of this course, students will be able to participate in discussions in a variety of contexts.

Teaching method

This course incorporates digital technologies for the completion of certain activities and assignments.

Access conditions

Based on the results of the Language School's placement test or conditional upon successful completion of the lower level.
